**ART STAGE
 JAKARTA
 5-7 AUG'16
 HEARTBEAT OF ASIA.**

Wei-Ling Gallery (Hall A, Booth A2)

For Art Stage Jakarta the gallery is exhibiting a key selection of represented artists to present a cross-section of artists working in Malaysia at the moment, namely important socio-political commentator Anurendra Jegadeva, established printmaker Juhari Said, prominent abstractionist Hamidi Hadi, pop-artist Wong Chee Meng, photographer and painter Chin Kong Yee, exciting, emerging artist Sean Lean and the leading contemporary woman painter, Yau Bee Ling. The gallery is also showing the magnificent works of internationally recognized Pakistani sculptor Amin Gulgee who moulds copper into contemporary forms.

For over a decade Wei-Ling Gallery has nurtured the development of Malaysia's contemporary art scene. With the opening of Wei-Ling Contemporary (the gallery's second space in Kuala Lumpur) in 2011, and the recent launch of the gallery's third space in Penang, the gallery has established itself as the largest commercial gallery in Malaysia.

The objective of the gallery is to promote and cultivate the best of contemporary art in Malaysia, working with a core stable of artists who are dedicated to their artistic journey and vision. Today, they represent some of the country's most prominent and important contemporary artists.

The gallery's program changes regularly with a strong and diversified selection of exhibitions. It has also played a significant role in bringing Malaysian contemporary art to international audiences, taking major exhibitions of Malaysian art to the United States of America, China, India, Hong Kong, Pakistan, Shanghai, Singapore, South Korea and Taipei. The gallery also represents a selection of important internationally well-known foreign artists.
