

RAJINDER SINGH (B.1964)

Rajinder Singh (B. 1964, Ipoh, Malaysia) is an artist, mathematician and researcher who holds an enduring interest in South Asian magico-religious belief systems, and the shape and space that they deny us. In 1993, he obtained a PhD in Engineering & Mathematics at the Queen's University Belfast (QUB), UK. In 2010, he achieved his Masters degree in Fine Arts from LASALLE College of the Arts, Singapore, and has been a fulltime artist ever since. His art practice is multifaceted, as he explores the variety of ways the human body unfolds at the intersections of the world of the otherworldly and the dynamics of global modernity.

In 2019, Rajinder launched his project *Un-migrate-ing*, at the Botanic Gardens in Dublin, Ireland. The project is an umbrella for his practice-led inquiries into questions of migrants in Ireland. It began with the premise that Ireland is a bountiful bird-feeder environment; however, migrant birds have been invading its nature, taking advantage of the free and accessible food. Each of the ten parts of the commission at the Botanic Gardens is an open prison birdhouse named after the ten worst Direct Provision Centres in Ireland. The installation provides shelters where migrant birds can be isolated away to protect the local fauna and flora. In the same year, he also took part of the international group show *'Paralogical Machines: When Images Meet Us in Space and Time'* curated by Dr. Kenneth Feinstein.

In 2018, he presented a special performance project called *'The Undiscovered Country - a reflection on mortality through performance art'* at Art Stage Singapore, Marina Bay Sands Exhibition Centre. The performance was led in collaboration with Italian artist Daniela Beltrani. Together, they have invited four fellow artists to perform a piece about the meditation of death and dying. The award-winning performance artists involved were Ezzam Rahman, Sophia Natasha Wei, Isabelle Desjeux and Tinu Verghis.

'Woundbloom' was a project that was conceived in 2017, where the idea of the wound in its many different forms, physical, mental and metaphorical sense is a recurrent motif in much of Rajinder's work. Rajinder sees the wound as failure of language when the wound itself becomes the language, articulating secrets in the presence of pain through the testimony of cut and ripped skin. Rajinder's wounds speak impossibly not only of a trauma in the past but reanimates the boundary between existence and non existence to reveal conditions of possibility that exceed the limits of the suffering flesh and gives us a glimpse of that blurry unity, the great throbbing consciousness beyond. These aspects of language and the wound are embodied especially in Rajinder's assembled gods that are at once scarred fragmented deities and healing, embracing unities.

'Cage of Deliverance' (2016) returned Rajinder to his distant past, to a life in Malaysia, to a pageantry of human spirit triumphant over flesh, in order to construct spacious cages in his paintings, free to roam about in, their oceanesque tranquility oblivious to the trauma transcribed onto their very walls.

Other exhibitions include *'Common Ground'*, Chan Hampe Gallery, Singapore (2015); *'The ceiling floats away with a sigh'*, Wei-Ling Gallery (2014); *'Muestra Colectiva de Verano'*, Isabel Anchorena Gallery, Buenos Aires (2014); *Fold*, ICA, Singapore (2012); *MOLC*, Chan Hampe Gallery (2012); *'Ya-ad'*, ICA, Singapore (2011); *'Ellaline'*, Stephanie Hoppen Gallery, London (2011). Rajinder was also represented in Bologna Fiere SH Contemporary at Shanghai Exhibition Centre, China in 2014 and London Art Fair in 2012.

RAJINDER SINGH (B.1964)

EDUCATION

- 2010 Master's Fine Arts (supervisor - Dr Ian Woo) - LASALLE, Singapore
1993 PhD (Engineering & Mathematics) - Queen's University Belfast (QUB), UK
