

## **H.H. LIM (B.1954)**

H.H. Lim has lived in Rome since 1976, traveling and working between the Italian city and Penang island in Malaysia. In 1990 he founded Edicola Notte, one of the most dynamic art spaces in Rome. His work reflects his peripatetic life and cross-cultural blending between East and West, embracing a variety of genres and media, such as video, installation, painting and performance. Lim's practice exhibits conceptual tendencies, exploring the ephemeral and fluctuating nature of meaning in a playful and irreverent manner, often, in the process, weaving in elements of the subconscious, symbolism, memory and language. Works which have come to life in one form, frequently see another life when placed in conjunction with other works, rendering them with new, additional and frequently paradoxical meanings.

Lim has shown widely in an international arena. In 2019, he was one of four Malaysian artists to represent Malaysia at the country's first ever National Pavilion at the 58th International Art Exhibition - La Biennale di Venezia, in which he exhibited two bodies of work under the title of *Timeframes*: a triptych painting, and an installation of 28 chairs with four video films. *Timeframes* is an anthology of cerebral and physical journeys of the self, and actions attempting to transpose the abstract into the physical. It is a reflection of Lim's peripatetic life and cross-cultural experiences, in which time and place are conflated in memory, and form the conceptual basis of his explorations around the nature of meaning.

In 2018, he was part of '*Teh Tarik with The Flag*' group exhibition at the National Visual Arts Gallery of Malaysia, and '*Seen*' international group exhibition at Wei-Ling Contemporary, Kuala Lumpur. In 2017, he did a number of solo and group exhibitions in Italy: '*CieloSereno*', Fondazione Filiberto Menna, Salerno; '*RE-EVOLUTION. The Place To Be*', MAXXI, Rome, '*PLEASE COME BACK. Il Mondo Come Prigione?*', MAXXI, Rome, '*FòcarArte*', Palazzo Baronale di Novoli, Novoli. In 2016, Lim participated in the Singapore Biennale, '*An Atlas of Mirrors*' at Singapore Art Museum. In the same year, his solo exhibition entitled '*The Space Between*' curated by Rahel Joseph and Anurendra Jagadeva, was held at Wei-Ling Contemporary, Kuala Lumpur. In 2013, he participated in the 55th Venice Biennale under the Cuban Pavilion and the 6th Prague Biennale.
