

IVAN LAM WAI HOE (B.1975)

Ivan Lam has established a name for himself as one of the most progressive contemporary artists in Malaysia. His commitment and unrelenting pursuit of his artistic journey have seen his works span a variety of mediums and ideas which are inspired by popular culture, autobiography, current affairs and every day vistas. With each series, he has become a maestro of his medium – from silk-screens and paint to resin and aluminum.

In Ivan Lam's practice, every layer of his work is imbued with a sense of purpose and meaning. The concept of duality has been continuously present throughout his journey as an artist, with contrasts and opposites always playing a role in his works. In the year 2015, Wei-Ling Contemporary held a comprehensive survey documenting twenty years of Ivan Lam, which allowed audiences to – for the first time – witness his artistic journey through the form of an exhibition entitled *Ivan Lam: TWENTY*.

In May 2013, Ivan Lam's participation in Art Basel Hong Kong with the exhibition COMA – Compendium of Malaysian Art marked the first time a Malaysian artist was presented on such an important platform. He is also the only Malaysian artist to have been commissioned by Louis Vuitton to make a painting for their collection. Most recently, Ivan Lam made his debut in Volta New York 2016, again being the only artist from Malaysia and has been invited to create a project for the Karachi Biennale 2017.
